

# Stay-At-Home

## Virtual Science Fair

**Science Fair Project Title**

**Your Name**

**Grade Category**

## **INTRODUCTION and AIM OF THE INVESTIGATION:**

*What topic will you be researching and what are you trying to find out?*

## **HYPOTHESIS**

*What do you predict will happen?*

## MATERIALS

*List all of the materials that you will be using for your experiment and the amounts of each item.*

## PROCEDURES

*List the steps taken for you to perform the experiment.*

## DATA

*Record what happened during your experiment. What are your constants and variables?*

## CHARTS/GRAPHS/IMAGES

*Include any charts, graphs, or images from your data collection.*

## CONCLUSION

*What did you learn from completing your experiment? Were you able to prove your hypothesis? Did it work? Why did it work or why didn't it work? What did the results tell you? Sometimes not being able to prove a hypothesis is important because you still proved something. What did you prove?*

## REFERENCES

*List any books, research materials, or websites below that you utilized during your experiment.*
