

# GINGERBREAD HOUSE CHALLENGE

**Directions:** Sketch your plan for your house. Make sure to LABEL the different materials you plan to use. Your house must have: At least four walls, a roof, a door, two windows.

# BUDGET TIME!

**Directions:** Write down the materials you would like to purchase to build your gingerbread house. The total cost must be less than \$20. You should leave extra money in your budget in case you need additional supplies while building.

Materials	Cost Per Item	Quantity	Total Cost
Graham Crackers (per square)	\$1.25
